

**Jayne Boucherle – Co Owner/Executive
Coach – Matterhorn Consulting, LLC**

Jayne Boucherle has more than twenty years of experience in the fields of education, business management and more recently, in executive/management coaching. Prior to entering business management and executive coaching, Jayne was a high school level teacher and also worked at Ohio State University as a continuing education instructor while taking graduate courses.

Jayne left teaching to take on the challenging responsibilities of upper management positions for companies ranging from big city firms in metropolises such as San Francisco, Chicago and Columbus, Ohio to national and global level corporations. These experiences have given her the ability to proffer information easily and concisely as well as provided her with a keen insight for dealing with difficult administration issues on every level of management.

After receiving a Sherpa Executive Coaching Certification (CSC) - which is widely recognized as one of the most credible training and certifications currently available for top level coaching and leadership development - from the Penn State University Executive Program, Jayne specializes in coaching entrepreneurs, executives and subsequent echelon managers who want and need to become more effective, successful and balanced business leaders and supervisors.

A graduate of Youngstown State University of Youngstown Ohio with a Bachelor of Science Degree in Business Education, Boucherle is a business woman who co owns and operates Matterhorn Consulting and Digital By Design with her husband Paul Boucherle CPP, CSC.

Jayne is currently a member of WISE (Women in Security Electronics), Youngstown Business and Professional Women, and the Youngstown Pan-Hellenic Association. She is also the mother of two children and is actively involved in numerous church and community organizations in which she has been entrusted with officeholder positions.
